Stainless Steel Works

About Power Center

Al Kanaa Factories Company is the one of **the biggest** companies specializes in Kitchen Equipment Ovens, Refrigerators, and Stainless Steel Metal Works facilities design, supplying, installing and after sales services. This range of our services is distinctive and we developed a team which has significant range of abilities and insight for every aspect of hospitality project development. Our aim is not only to meet client satisfaction but to guarantee real workmanship effectiveness with high quality servicing.

About Power Center

Permanent commitment manufactures products with the highest international standards of quality for a promising future that comes from the roots of ancient history.

If you want to explore the secret of the success of the Group, you'll find that this lies in its ability to continue to support its competitive position in all markets and through maintaining the quality of its products, meet the needs of the food industry, the use of scientific research, the latest technologies and the application of best business practices in all sections of the company.

About Power Center

Our roots back to 17 years ago when we started our work in Stainless Steel workshop for making tables, shelves and sinks.

Began our journey in 2002 as one of a chain of factories, which began the first Saudi factory in the manufacture of equipment and food preservation when it sensed **Sheikh Ghaleb Nasr** importance of developing the equipment manufacturing industry and keeping foods in Saudi Arabia to meet the local market needs.

And with his successful ideas and guidance we created and developed several industrial projects of high efficiency to achieve its goal of building and supporting the economy of the Kingdom of Saudi Arabia

About Power Center

Now our group of companies are:

1) Al Kanaa Factories Co.

Cupboard Systems – Shelving Systems – Cooking Equipment – Ovens.

2) Umm Al Qura Factories Co.

Refrigeration Systems

Refrigerators – Freezers – Refrigerated Show Cases.

Mission & Vision

Mission

Our mission is to practice honest, reliable, and quality working practices, to meet all of our clients' needs. We believe we can achieve this mission by employing a high qualified staff who understands an attention to detail, the importance of a satisfied customer, and has integrity and honesty.

Vision

Our vision is to be the most dependable company in the industry by combining personalized customer service, a resolute commitment to safety and quality and the sincerity to be the company of choice for both customers and employees.

Values

Respect:

We treat everyone with dignity and honesty.

We pursue win-win solutions. We appreciate the different experiences and skills our teammates bring to our business we demonstrate respect for our clients and each other by: Really listening to them assuming the best intentions proactively communicating

Integrity:

Do what we say and say what we do is treat resources like our own

Safety:

The health and safety of our clients and our team comes first and takes precedence over the attainment of other objectives if there should at any point exist a conflict between safety and other objectives, the conflict must be worked out so that we can deliver our objectives safely

Excellence:

We enthusiastically give our best service.

We always look for ways to improve ourselves and our business.

We are all accountable to each other.

We strive for optimal efficiency and professionalism in all that we do.
